Description

Set sail with a brand-new, fully customizable yacht! This Beneteau Oceanis 40.1, still unregistered, is available for entry into the BeCharter Ownership Program, under the BeFlexible model, with delivery scheduled for the 2026 charter season, at any of BeCharter’s Mediterranean bases.

Designed by Marc Lombard, this well-balanced 40-footer stands out with its 4-cabin, 2-head layout, ideal for private cruising or generating income through charter. You also have the option to modify and tailor the interior layout and equipment to your liking.

Technically equipped with a furling mainsail, furling genoa, autopilot, bow thruster, and AIS, this yacht offers safe and easy handling. A spacious and versatile cruiser, suited for families, groups, or mixed-use sailing.

Thanks to the BeFlexible program, you benefit from full professional management, steady charter income, and private use of your boat when you choose—without handling logistics, moorings, or bookings.

An excellent opportunity to own a 2026-ready, fully customized yacht with smart management.
